Community Training Center

10411 Frederick Pike Vandalia, OH 45377

## HCP CPR COURSE OUTLINE

Welcome to the Healthcare CPR Class. You will find the course to be easy to accomplish. Feel free to ask any questions you may have during the presentation. In addition to this course outline, the other paperwork used during the class includes an answer sheet, a skills check-off, and a course evaluation form. You will also be asked to provide registration information.
